ECOVADIS 2025 · TOP 15% IN SUSTAINABILITY

Silver

Accountability through open, verified data.

ACCOUNTABILITY

We share our performance openly

We report in line with international standards and submit our sustainability performance to independent external assessment.

ANNUAL REPORT

6th edition of the Conscious Company Report, publicly available.

STAKEHOLDERS

Open dialogue and transparent communication with our stakeholders.

EXTERNAL VERIFICATION

We submit our non-financial information to independent external verification.

DOUBLE MATERIALITY

We have anticipated the new European directives (CSRD) by analysing not only how the environment impacts our finances, but also how our activities impact society and the planet, surveying all our stakeholders.

EXTERNAL ASSESSMENT

Silver · Top 15%

2025 EcoVadis sustainability rating: it places us among the top 15% of companies assessed.

We submit our non-financial information to independent external verification.
